HOW TO GET TO VALCAMONICA

How to get to Valcamonica

It is possible to reach the area by public transport, especially buses and trains, but please keep in mind that they are very limited. The best way to get to and around the area is by car, so we strongly recommend using a rental service.

Airports

Valcamonica can be reached via the following airports - **Milano - Bergamo (90 km)**. You can reach Valcamonica directly, by taking the BS1 Milan (Sesto San Giovanni) - Ponte di Legno bus (for more information, see the following website: http://www.orioshuttle.com/_eng/news.cfm?news=1813).

Alternatively, city bus n.1 (<https://www.atb.bergamo.it/en/atb-network/tourism-in-bergamo/airport-bus>) connects the airport directly to Bergamo train station, from where you can continue to Capo di Ponte by train or bus.

- **Milano Linate (140 km)** From Linate airport you can reach Milan Central Station thanks to the AirBus service, provided by ATM (<https://www.atm.it/it/AltriServizi/Trasporto/Pagine/airbus.aspx>) or by taking the Linate bus (<http://www.milano-aeroporti.it/linate-shuttle/en/index.html>); from Milan Central Station you can continue by train to Brescia and from there to Capo di Ponte.

- **Milano Malpensa (190 km)**. Once landed in Malpensa, it is advisable to get to Orio al Serio airport by bus (http://www.orioshuttle.com/Bergamo-Orio-al-Serio_Milano-Malpensa.cfm), or to directly reach Valcamonica by bus, via BS1 Milan (Sesto San Giovanni) - Ponte di Legno. Alternatively, you can get to Milan Central Station with the service provided by Malpensa.

Trains

- Brescia to Capo di Ponte (direct, no change)
- Bergamo to Capo di Ponte (1 change in Brescia)
- Milan Central to Capo di Ponte (1 change in Brescia)

For further and more precise information about timetables and routes, see Trenord website: <http://www.trenord.it/>

Buses

From the bus station in Bergamo (located near the central station, opposite the shelter where the bus from the airport stops), you can take the SAB bus towards Capo di Ponte.

Please note: you must have your tickets before boarding the bus. Tickets can be bought inside the train or bus station, at the appropriate ticket office; it is always advisable to ask for the number of the shelter from which the bus leaves, as it is subject to changes.

For more integrated mobility solutions, see: <http://www.muoversi.regione.lombardia.it/planner/>

Renting a car

Given the land conformation of the area, the limited number of daily journeys made by public transportation and the location of the hotel of your choice, renting a car is the most comfortable and convenient way to get around Valcamonica. To avoid changes and problems when travelling, we recommend renting a car at the airport terminal before or on arrival. For more information, see the following website: <https://www.rentalcars.com/en/>

ATTENTION - We would like to remind you that the conference will take place at the Museum of the Riserva, located in Via Piana 29, 25040 Nadro (Ceto, Brescia).

For those who do not have their own means of transport, please note that there is no public transport to the venue. Transport between Capo di Ponte and Nadro will be organised upon reservation and according to possibilities.
